AACA 2015-16 Vision

**To be engaged, active, and have open involvement in
“Community”**

Themes:

- **Define areas of interest – focus attention**
- **Broaden the circle (build diversity and representation)**
- **Pursue action on issues of mutual importance**

Call to order,

Your Board, Jacques Romain vice president, Diane Ditzler on travel, Amy Wetzel treasurer not on travel, at large members Gary Nisker, Mike Bang and Jon Clark.

I am Carolyn Freeman president.

We have more new neighbors, more upcoming activities and a bank account that is active and happy. We are financing more events and getting more neighbor involvement. This year we did not ask for a contribution to participate in the community yard sale. Ten households participated this year and there has been mention of considering a fall cleanout sale as well. More on that later.

Tonight we welcome Alice Eggers from the MPO Crime Prevention Unit to give us information and insight to our safety as a neighborhood.

Lets go.
